ID : 103, Name : Keyboard, Quantity : 30, Price : 2000
```

Exercise 2: E-commerce Platform Search Function

```
Program.cs
ECommercePlatformSearchFunction
E:\Cognizant Deep Skill Study
Linear Search Found : Cloths
Binary Search Found: Mobile
```

Exercise 3: Sorting Customer Orders

The screenshot shows a Visual Studio IDE with a C# program named 'SortingCustomerOrders'. The console output is as follows:

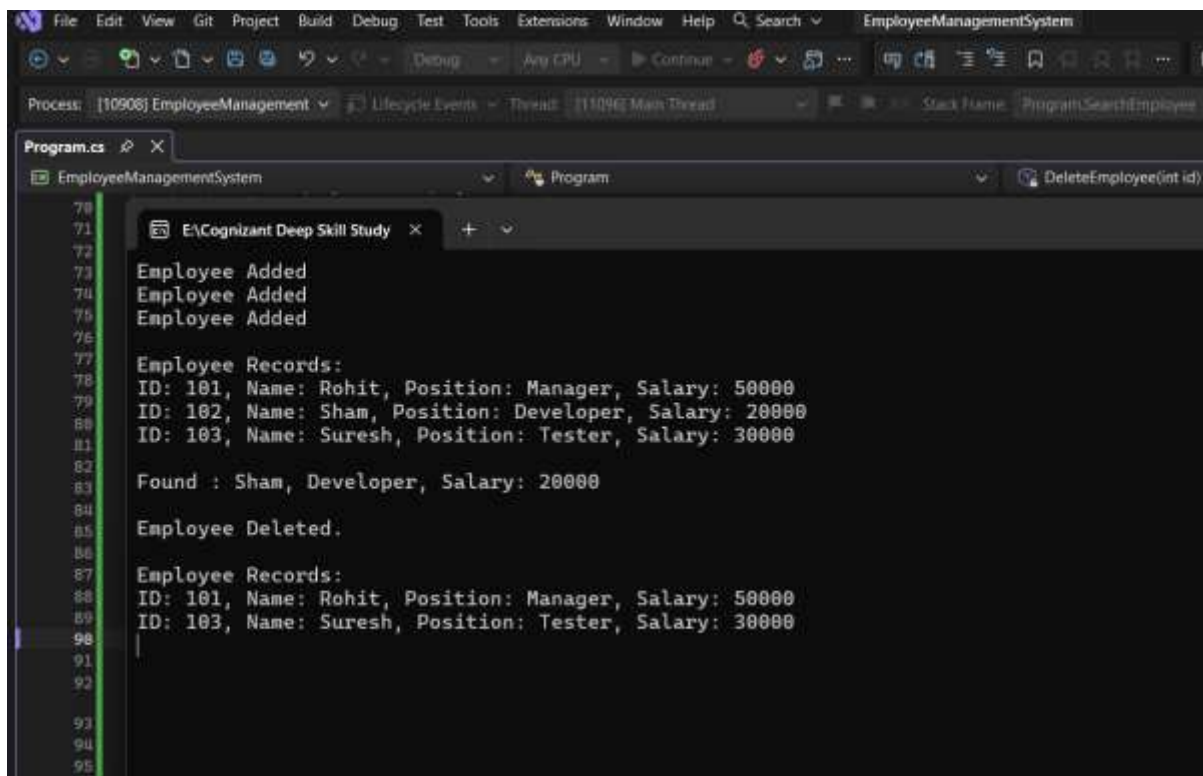

```
Original Orders:
ID: 101, Name: Rohit, Price: 1500
ID: 102, Name: Amit, Price: 5000
ID: 103, Name: Neha, Price: 3000
ID: 104, Name: Priya, Price: 7000

After Bubble Sort:
ID: 101, Name: Rohit, Price: 1500
ID: 103, Name: Neha, Price: 3000
ID: 102, Name: Amit, Price: 5000
ID: 104, Name: Priya, Price: 7000

Original Orders:
ID: 101, Name: Rohan, Price: 5000
ID: 102, Name: Amol, Price: 500
ID: 103, Name: Nitin, Price: 7000
ID: 104, Name: Prem, Price: 3000

After Quick Sort:
ID: 102, Name: Amol, Price: 500
ID: 104, Name: Prem, Price: 3000
ID: 101, Name: Rohan, Price: 5000
ID: 103, Name: Nitin, Price: 7000
```

Exercise 4: Employee Management System

The screenshot shows a Visual Studio IDE with a C# program named 'EmployeeManagementSystem'. The console output is as follows:

```
Employee Added
Employee Added
Employee Added

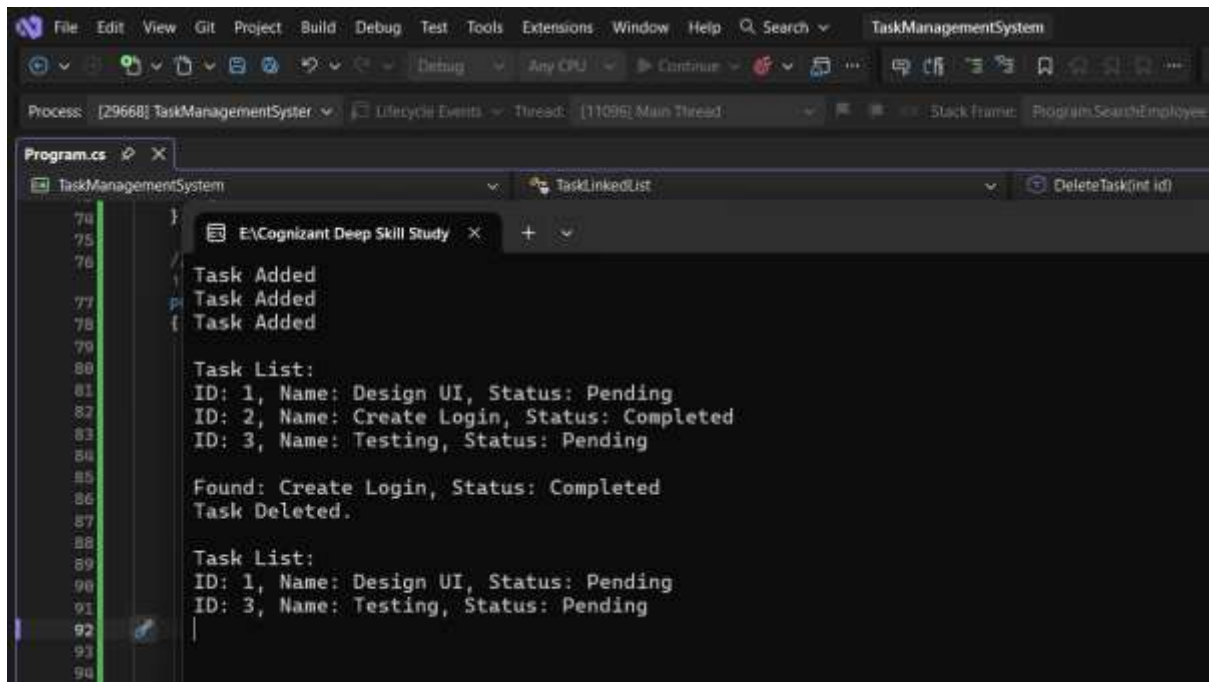

Employee Records:
ID: 101, Name: Rohit, Position: Manager, Salary: 50000
ID: 102, Name: Sham, Position: Developer, Salary: 20000
ID: 103, Name: Suresh, Position: Tester, Salary: 30000

Found : Sham, Developer, Salary: 20000

Employee Deleted.

Employee Records:
ID: 101, Name: Rohit, Position: Manager, Salary: 50000
ID: 103, Name: Suresh, Position: Tester, Salary: 30000
```

Exercise 5: Task Management System

The screenshot shows the Visual Studio IDE with the 'TaskManagementSystem' project open. The 'Program.cs' file is displayed, and the output window shows the following text:

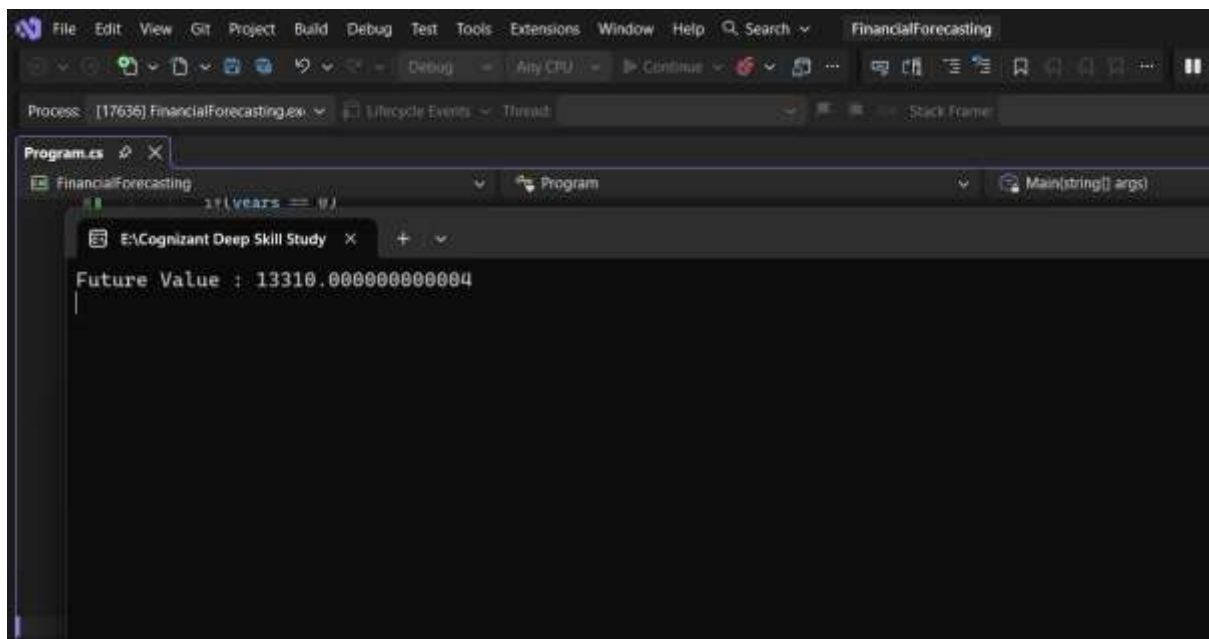

```
Task Added
Task Added
Task Added

Task List:
ID: 1, Name: Design UI, Status: Pending
ID: 2, Name: Create Login, Status: Completed
ID: 3, Name: Testing, Status: Pending

Found: Create Login, Status: Completed
Task Deleted.

Task List:
ID: 1, Name: Design UI, Status: Pending
ID: 3, Name: Testing, Status: Pending
```

Exercise 7: Financial Forecasting

The screenshot shows the Visual Studio IDE with the 'FinancialForecasting' project open. The 'Program.cs' file is displayed, and the output window shows the following text:

```
Future Value : 13310.000000000004
```
